2.   EDITOR MANUAL

The Editor manual is now available at the University Bookshop. This is
a teaching manual for the file editing program used to create and edit
files via the remote terminal.

As other manuals become available notice will be given in the Newsletter.

3.   REMOTE TERMINAL SEMINAR

The next seminar on the use of remote terminals will be held on Tuesday
12 January. The lecture is held in Lecture Room B18 in the Engineering
Building. It starts at 10.00 a.m.

4.   BASIC COURSE

The BASIC course that is due to be given by the Centre in February had
previously been advertised as commencing on Monday 1 February. Monday
is a public holiday and so the course will commence on Tuesday 2 February.
